

## **Aisling Carroll**

Dr. Aisling Carroll was appointed as a consultant cardiologist in adult congenital heart disease at University Hospital Southampton in 2009. She is the clinical lead for ACHD and also leads the heart disease in pregnancy service for the south coast. She graduated from the National University of Ireland Galway and completed her adult cardiology and general medicine training in Ireland before moving to Birmingham to commence sub-specialty training in ACHD. She completed a two year clinical Fellowship in ACHD at the Mayo Clinic, USA followed by a Fellowship in Heart Transplantation and Advanced Heart Failure prior to returning to the UK. She is a specialist in echo with level 3 accreditation from the Mayo Clinic and has a particular interest in education and training in ACHD and maternal cardiology with regular speaking engagements at local, regional, national and international meetings.

She was elected to the British Congenital Cardiac Association (BCCA) Council as the ACHD representative in 2015 and represents congenital cardiology interests on the Cardiology Specialist Advisory Committee. She was recently elected to the chair of the RCP New Consultants Committee.
